ABOUT REJUVENARE DERMATOLOGY

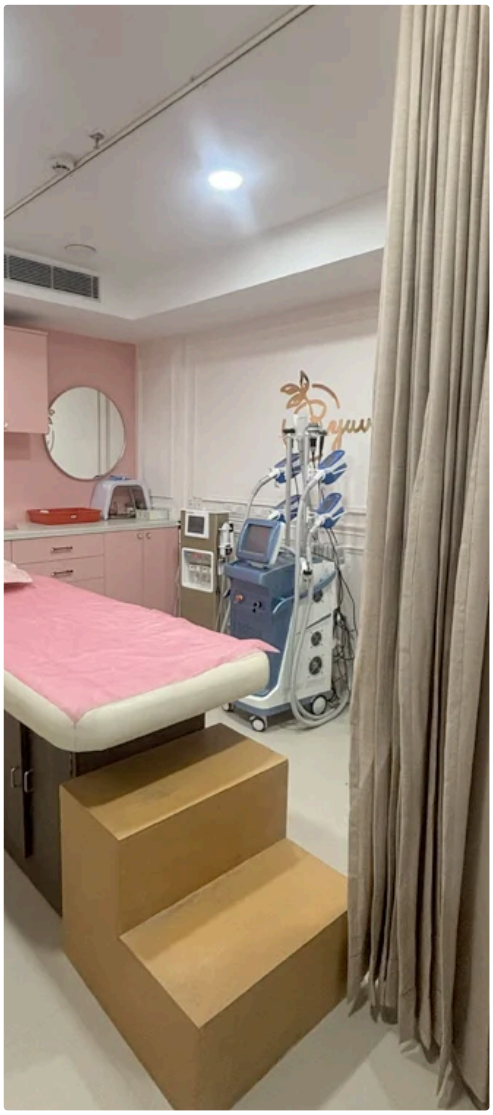
A patient-first dermatology & aesthetic clinic

"At our dermatology clinic, we specialise in medical, cosmetic, and laser treatments designed to restore confidence and enhance your natural beauty."

Rejuvenare Dermatology operates from the Department of Dermatology at Silver Streak Hospital, Sector 87, Gurugram. Our expert team provides safe, effective solutions for all skin types, bringing together clinical dermatology, dermato-surgery and aesthetic dermatology under one roof.

Led by Dr. Shobhita Gupta, the clinic combines scientific knowledge with advanced technology to deliver natural-looking, long-lasting results. Every treatment plan is personalised — built around latest skin technology, safe, evidence-based procedures, and a comfortable, patient-first experience.

From acne and pigmentation to anti-ageing and hair concerns, patients trust Rejuvenare Dermatology for complete dermatology and aesthetic care, delivered with a focus on safety, results and comfort.

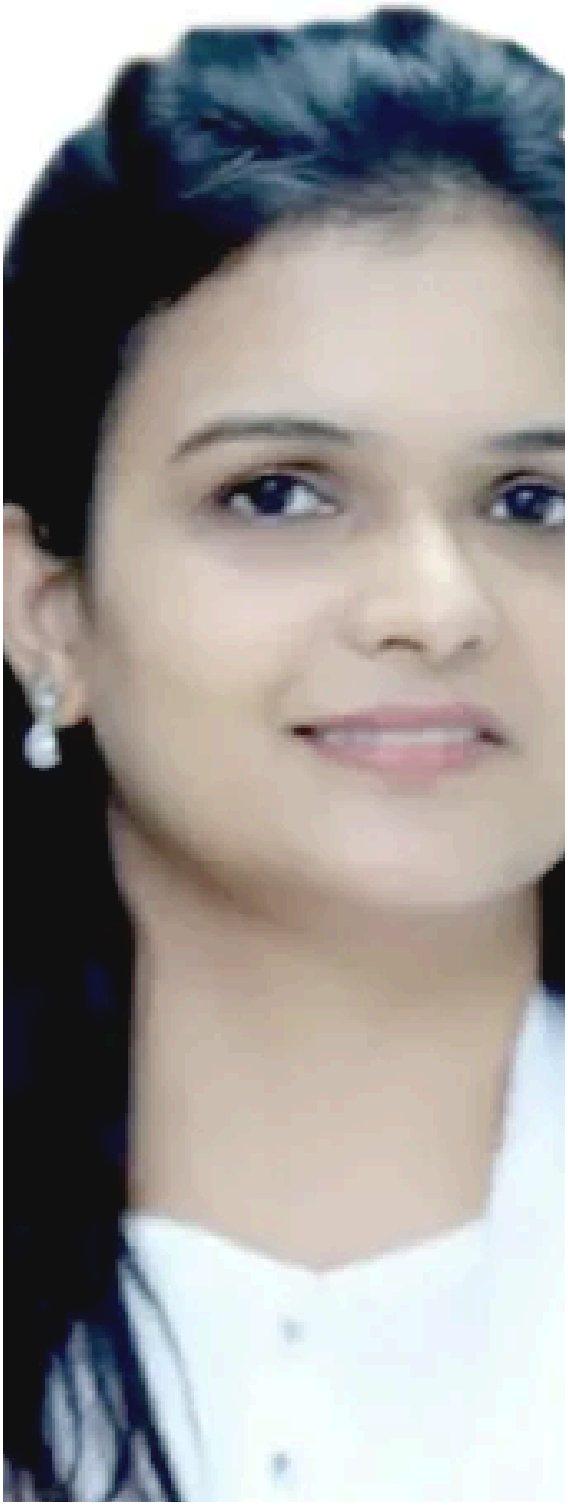


OUR MISSION

To offer trusted, ethical, and effective skincare solutions that help people look and feel their best.

OUR VISION

To be a leading dermatology and aesthetic clinic known for excellence, innovation, and compassionate care.



MEET THE DOCTOR

Consultant Dermatologist & Skin Specialist

HOD – Dermatology · Over 8+ Years of Experience

Dr. Shobhita Gupta is not just a dermatologist; she's a trusted skin expert known for transforming lives with her expertise in medical, surgical, and aesthetic dermatology. With an MD in Dermatology from Maharishi Markandeshwar University, Mullana, she brings over 8 years of rich experience in treating diverse skin, hair, and cosmetic concerns.

Her approach goes beyond prescriptions — she listens, understands, and delivers customised solutions that blend medical excellence with advanced aesthetic care, helping countless patients regain their confidence and achieve healthy, radiant skin.
